## Education

### Royal Holloway, University of London

First Year 2019–2020

Second Year 2020–2021

Third Year 2021–Ongoing

### Gravesend Grammar School

A-levels 2017–2019

Maths A / Computing B / Physics B / Further Maths C

GCSE 2014–2017

10 GCSEs Grade (A\*-C) (9-5) including English, Maths and ICT

## Experience

### CompSoc @ Royal Holloway

Competitions Manager, October 2020–May 2021

Ran Royal Hackaway v5 for the first time online, working around COVID-19 to a global audience of hackers.

Fully rewrote Hackaway website (royalhackaway.com) to React.JS and managed volunteering students to help improve parts of their website, whilst using Git/GitHub.

Vice President, May-2021–Ongoing

Planning a future Hackathon for Freshers Week (Freshers Hack 2021)

### Code Club @ Gravesend Library

August 2017–May 2019

Helped teach 9 to 12 year old children learn and engage with digital technologies by introducing them to languages like MIT Scratch, HTML, CSS and Python

Responsible for running the session, including the setup/maintenance of computer systems to reduce downtime during sessions.

Coordinated with librarian and other volunteers to determine and create tasks and activities for sessions and events.

## Open Source Projects

### Discord Rich Embed for Microsoft Office

*github.com/7coil/DiscordForOffice* - 78 Stars on GitHub

Creator of a C# plugin to display live Word, Office, a user's live profile of the Discord messaging application.

Uses C# to interface with the Visual Studio Tools for Office.

### Dmail

*github.com/7coil/dmail* - 30 Stars on GitHub

An E-Mail to Discord message link, forwarding e-mails from an SMTP server to Discord, to allow for newsletter subscriptions in Discord.
